Who Is A Loyal Citizen.

Text.

"Now therefore ye are no more strangers and foreigners but fellowcitizens with the saints and of the household of God." Ephe. 2:19

A man who loves God supremely. A man who loves his family next to God. A man who loves his neighbor as himself. A man who loves his country next. A man who loves all good and abhors all wrong. Love worketh no ill, has no hate; A Citizen of the true type who have all those good principles in his heart, and will execute them to the very best of his knowledge to the upbuilding of his country; Neighborhood, and people; Socialism as a political power is taking the lead in peace: may the time soon come when we will have universal peace. But this must come under the true principles of Loyal Citizenship. The man that is a true Odd Fellow is and must be a true Christian like unto Jonathan, David and the good Samaritan, this makes them true Loyal Citizens the man who is for peace first and last, all the time like the Bible teach a true Loyal Citizen can be this kind of a citizen, if we want to be and then will be.

This dark cloud is still hanging over Europe the murdering is still going on. And thousands of poor men are falling victims to the great curse, we see that Socialism is pleading for peace. And we know that God's word pleads for peace. And we know that the bleeding Christ is pleading for peace. And we know that we do, and will plead for peace. All wars are caused by the enemy of all right. The first battle was in heaven caused by old satan the last battle must be on earth. And the same old satan will be the cause. We trust that the poor Germans, Russians, English, French and all other poor will see the need of the last battle and stop now. And if the kings princes and potentates of earth want to fight let them fight; And there will soon be no war peace will reign and the common people will soon be the government and hunger and starvation will cease to be and there will be a universal brotherhood of mankind; the boundaries will be big enough for all, there will be no territory to small the expansion will be by the people to the people and for the people. And Bible Socialism will be universal without war, and the dark cloud forever gone. And Friendship Love and Truth will give us a government by the people.

WHAT IS ODD FELLOWSHIP FOR?

Odd fellow ship in the first place is for a universal brotherhood. This practiced and taught by our Lord and Savior Jesus Christ the principals of Odd fellow ship, is to follow the foot steps of the good Samaritan. But the question arises here, Do they do this as a whole this should be a disgrace question to royal Oddfellows, Oddfellowship should shine in "Friendship Love, and Truth," as the noon day sun. The Friendship of an Odd fellow, should be shown to a man when he is oppressed, the Oddfellow's hand should go out to him and say, here Brother I will help you bare the oppression. And when the Oddfellow sees a brother in distress, his obligations is for to go to that brother's help, and help him thru his hours of distress, when the world have their feet on an Odd fellow, Oddfellowship is for the sacred purpose to look after him and see if he is worthy it is their bounded duty to help him is he an honest man, Oddfellow ship is for to go to the relief of the afflicted to the bedside of the dying and to care for the weak and the orphans and to keep themselves unspotted from the world.

THE FORBIDDEN FRUIT OR THE ABOMINABLE THING.

In the 28-3 we have a man that was wiser than Daniel there was no secret that they could hide from him. This man we learn was in the garden of God. This is spoken in the 23 v. you will find in connection with the 13 v. that this character was of Gods works of Creation and could not of had any reference to the Adam in the garden. For there was more people in the garden than the formed man Adam who was called trees: Please read.

The order in the garden of God could not hid him the fir trees were not like his boughs and the chestnut trees were not like his branches nor any tree in the garden of God was like unto him in his beauty. I have made him fair by the multitude of his branches; so that all the trees of Eden that were in the garden of God envied him." (Ezek. 31-8-9.)

There is no one that can read, but what will have to say that there was people in the garden, besides the man Adam who God called trees. And there is one special one referred to as being wiser than Daniel that there was no secret that they could hide from him. This man without any doubt was the tree of the knowledge of good and evil. And this tree was the forbidden fruit that Eve partook of. And what became the abominable thing: God said to Adam the man he had formed after the seventh day concerning this tree "in the day thou eat thereof thou shalt surely die." And it was this that I had reference to when he said "ye have made a covenant with death and agreement with hell. And this same condemnation was spoken to Noah a descendent of the formed man after he had crossed the flood; in this language "But flesh with the life thereof which is the blood thereof shall ye not eat."

And surely your blood of your lives will I require at the hand of every beast will I require it and at the hand of man at the hand of every man's brother will I require the life of man.

Whoso sheddeth man's blood by man shall his blood be shed: for in the image of God made he man." (Gen. 9-4-5-6.)

There were some of the friends of the brother attended the funeral from a distance returned home on the 6th.

May this be a sacred token,  
To the life of all who hear,  
By the last words, the young man spoken,  
For he never more will shed a tear.
